Pin Assignment
1: laser anode (+)
2: laser cathode (-)
3: TEC cathode
4: TEC anode
5: thermistor
6: thermistor
7: optional: thermistor/PD
8: optional: thermistor/PD

Emission Point:
centered on header
tolerances:
x: ± 0.3
y: ± 0.2

Note: Package is sealed under dry air OR dry nitrogen atmosphere.
Note: The laser device is not designed for any reverse operation
